The answer will be “Glanville Williams: Learning the Law”. Much of the original text survives but Professor Smith has given much needed emphasis to the new legal agenda of the early twenty-first century â€” gone are the old, archaic references â€” and in come new, thrusting European Union law provisions which will warm the heart of the most die-hard Eurosceptic. I like chapter 14 the best â€” it is entitled “General Reading”. It gives the best bibliography available for the range of works on the market for those who love the subject of law as much as some of the writers quoted clearly did. To read “Learning Glanville Llewelyn Williams was a British educator and author. He was a noted expert in matters concerning British civil and criminal law. Â February 15, 1911 (age 86). Bridgend, Glamorgan, Wales, United Kingdom. Among legal issues, Williams devoted his career to teaching, first at Cambridge University beginning in 1936, then at the University of London starting in 1945. He rejoined Cambridge in 1957 as a reader, then became a professor of law in 1966. Named a fellow of the school’s Jesus College in 1955, he also became Rouse Ball Professor of English Law in 1968, holding that position for 10 years. His other teaching stints included Hebrew University of Jerusalem, University of Colorado, New York University, and University of Wash
