The American Revolutionary War was a war fought between Great Britain and the original 13 British colonies in North America. The war took place from 1775 to 1783 with fighting in North America and other places. The Continental Army (army of the colonies), led by George Washington and helped by France and other powers, defeated the armies of the British Empire. Revolutionary terror, also referred to as revolutionary terrorism or a reign of terror, refers to the institutionalized application of force to counterrevolutionaries, particularly during the French Revolution from the years 1793 to 1795 (see the Reign of Terror). The term "Communist terrorism" has also been used to describe the revolutionary terror, from the Red Terror in the Russian Soviet Federative Socialist Republic (RSFSR) to the reign of the Khmer Rouge and others. In contrast, "reactionary" refers to Richard A. Clarke, Against All Enemies: Inside America's War on Terror (New York: Simon & Schuster, 2004) Clarke gives a biographical account of his role in both the Clinton and Bush administrations and the attempt by both administrations to manage national security and antiterrorism, particularly in the wake of the September 11, 2001, attacks.
