Unlike most other texts for Multicultural Education on the market, this one provides practical and useful teaching strategies and class-tested lesson plans, as well as a foundation for understanding the context of multicultural education. Choosing Democracy was the first text of its kind to show teachers how to construct a curriculum that is truly democratic, while at the same time meeting the requirements of today’s standard’s based educational environment. Most new teachers are not prepared to face the diversity of the classrooms of today. Nor are they prepared to handle the many challenging
