Killing the goose that laid the golden Easter egg

ALAN MORAN

Easter in Melbourne was a throwback to the 1970s, with closed shops and empty streets. Interstate visitors looking for shopping in the real estate market. It’s worth spending a few weeks researching before shelling out thousands of dollars to meet a real estate agent. It’s important to get to know the agent and the agency before agreeing to lower your final commission. If you make me lower my final price, do you agree to lower your final commission?

The Barefoot Investor. A year or so later it bears some apples (mostly hard, small and sour). Its branches are still young, so the weight of the apples makes it droopy. (It looks like a tree version of a fashion model.) And then you basically forget about it, and get on with your life. You trust that the tree will grow, and that it will get all it needs from the rain, the sun and the nutrients in the soil. The exact same way trees have been growing since Adam and Eve shacked up and did the wild thing. The Barefoot Investor recommends you set up your banks accounts in a certain way to help you manage your spending. In this episode I explain the Barefoot Investor bank accounts and buckets and also show you how I set up my bank accounts which is a slight alteration on this strategy. Today Iâ€™m going to be talking about the barefoot investor bank accounts and bucket. Weâ€™re going to be looking at how the Barefoot Investor recommends that you set up
