

Grant, A. M. (2001) *Towards a Psychology of Coaching*, Sydney: Coaching Psychology Unit, University of Sydney. [Definitions of coaching – article available online]

Overcoming dental anxiety. The Canadian Dental Association estimates that over three million Canadians suffer from dental anxiety. Additional courses in comparative anatomy, embryology, histology and electives are recommended. Courses fulfilling the above requirements are offered by the New York University's College of Arts and Science at Washington Square. Notes
